### VARSITY LIPSENSATIONAL LIPS

My name is Samantha Spenny. I am a high school dance coach and advisor in San Diego County. I started using Lipsense for my Dance Team and have fallen in love with the product! It has worked so well for us that I decided to start reaching out to other teams who may be interested in using it for their teams! Coach Ann is my teammate and together we help dancers look polished and ready to win!

Lipsense is the premier product of SeneGence and is unlike any conventional lipstick, stain or color. As the original long-lasting lip color, it is waterproof, does not kiss-off, smear-off, rub-off or budge-off! Create your own color palette by combining colors from over 36 shades.

It is a vegan product, not tested on animals, GMO Free, Gluten Free, Wax Free, Lead Free and made in the USA!

I love Lipsense for my Dance Team because it doesn't come off on costumes or on their teeth and we do not have to reapply it during the day. If applied everyday, the Lipsense color will last you for 4-6 months. If only worn for performances it will last longer! Lipsense has a shelf life of 3 years. We also offer smudgeproof, waterproof, sweatproof long lasting makeup.

W offer different packages for organizations and would love to discuss that with you at your convenience. Packages may include a variety of options such as profit sharing, Starter Collections for Coaches, Advisors and Studio/Club Owners or opportunities for anyone else to sign up and have their own account for the chance to get discounts that range from 20%-50%.

We are available for studio demos, club demos, and school demos all for you to try the product.

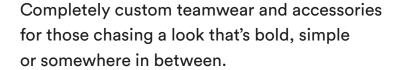

Look for me at select Southern California Regionals! I will have my lipstick top on and will be happy to provide a free demo for your dancers at competition! Feel free to contact us with any questions or to book your free no obligation demo!

Sincerely,

### Samantha Spenny and Ann Lee
